June 2022

**In this Issue:**

1. City Hall Hours
2. Pet Waste Stations
3. Health Fair

## City Hall Hours are Monday – Thursday 8:30 am – 4 pm
## Closed on Fridays

### Pet Waste Stations

Did you know that three of the public parks here in Falls City are home to Pet Waste Stations? It's true! In March of 2016, City Council voted to place Pet Waste Stations in the Upper, Lower and the Fay Wilson parks to prevent dog poop dangers. Check out the information below to see what dangers your dog's poop could be causing.

Dog poop smells bad and no one likes stepping in it, but it is more than an inconvenience: it is a legitimate danger. Dog poop dangers come in several forms.

•It poisons grass and lawns.
•It carries hookworms, ringworms, tapeworms, and more.
•It transmits human diseases, too!
•It pollutes waterways and is in the same EPA category as oil and mine runoff!

For more information on dog poop dangers, please visit the Falls City Website.
