- Thursday November 24th Thanksgiving Day

Family Community Outreach Health Survey

Community partners and leaders have been concerned about access to healthcare for those in the greater Falls City area for a while now. In order to better understand the needs and barriers, Polk County's Family & Community Outreach Department (FCO) will be surveying Falls City residents about their health and wellness needs. The data collected in this survey will be used to bring positive change to the Falls City Community.

FCO will be rolling out the survey in many different ways, including through school communication, community mailers, local events, social media, and potentially through door-to-door contacts. As a thank you for completing the survey, FCO will be offering each Falls City area household their choice of one of five \$25 gift cards and be entered to win one of 10 raffle drawings valued at over \$400 each.

To participate in the survey, please visit the city website or Facebook page.
