Resource Center IS OPEN!

The Resource Center building on the Mill Lot on the corner of Bridge St. and Parry has a lot going on! Stop by and explore all this center has to offer each day throughout the month.

They will be open Monday - Friday from 8 am to Noon and 1 to 5 p.m. Closed for lunch.

Address Signs

The Fire Department had a tough time getting the correct posts for the new address signs. No one had them in stock and the stores did not want to order them until their spring order. However, they are on order now and we hope to start installing some next month. We have over 80 of them to install, so please be a little more patient. We thank you so much for your understanding and patience!

NEW 4-Way Stop coming to Falls City!

There's a new **4-Way Stop** coming to the intersection at **Bridge Street & S. Main Street/Parry Road** (next to the **Resource Center** building on the Mill Lot) This traffic pattern change was approved by the Public Works Commission and City Council to enhance traffic safety at an intersection that has seen an uptick in pedestrian traffic. Please be aware of pedestrians going to and from the Resource Center, and we ask for your collaboration in slowing down and **coming to a full stop while traveling through this intersection.**

Upper Park Trees

The city has been informed by the Oregon Department of Forestry that five of trees in the George Kitchin Park are diseased and will need to be cut down for residents' safety. We are working very hard to make sure that these trees will not only be brought down safely, but that they will be replaced by fast-growing trees. We hope to have a tree planting ceremony sometime in the spring/summer.
