Resource Center hours changing!

The Falls City Resource Center operating hours and staff availability has gone into effect Monday, February 9 to better serve the **residents of Falls City**. We have transitioned to a new schedule designed to increase our direct presence at the high school while maintaining dedicated center hours.

New Weekly Schedule:

- **Resource Center Staff on-site at the School:** Tuesday – Thursday | 8:00 am – 12:00 pm
(Available to students and their families)
- **Resource Center Site Open:** Tuesday – Thursday | 1:00 pm – 5:00 pm *(Open to the community)*
- **Mondays & Fridays:** The Falls City site will be **closed**.

Contact Information While the Falls City physical site will be closed on Mondays and Fridays, support remains available. Residents needing assistance can still reach our team through our **Monmouth location at 503-751-1644**.

We value your partnership in helping us communicate this shift to the community. Our goal remains providing consistent, accessible support to all Falls City residents.

Waterline Replacement Project

Construction on Phase 1 is complete and Phase 2 is coming soon!

This project's new water lines on Hopkins Street, Estelle, Clark, East Clark, and Forest View Lane, 2nd, 3rd, 4th and Pine Street, as well as the alley between Pine Street & N. Main Street are online. The Contractor,

Trench Line Excavation, still needs to pave over some portions of road, but will work hard to keep roads from being fully closed. In the coming months, sections of Parry, Terrace, Fairview, Cameron, Mill, & 1st Streets will be upgraded as part of Phase 2.

City Dump Truck

Contact City Hall with any inquiries.

The City will be surplusing our old dump truck. It is a 1989 International with a 10 speed and a 7.6 L diesel engine. The truck has air brakes and an air gate. It has served the City well over the years, but with the purchase of a new to us dump truck we are no longer in need of it. Please contact City Hall at 503.787.3631 with any inquiries.
