Firework Safety!

Be courteous to your neighborhood this 4th of July.

Each July 4th, thousands of people, most often children and teens, are injured while using consumer fireworks. Despite the dangers of fireworks, few people understand the associated risks devastating burns, other injuries, fires, and even death.

In the past few years Fireworks started an estimated 31,302 fires, including 3,504 structure fires, 887 vehicle fires, 26,492 outside fires, and 418 unclassified fires. These fires caused an estimated six civilian deaths, 44 civilian injuries and \$109M in direct property damage.

The Statewide burn ban is in place and fireworks have been attributed to wildland fires all across the country. Please be safe and courteous this 4th.

NEW Recycling Parameters starting July 2025

Visit www.fallscityoregon.gov to see the full acceptable recycling list

Beginning July 2025, all Oregon community members and businesses throughout the state can recycle a consistent set of materials outlined in the list.

NO Cost Mattress Recycling

Do you have a mattress to recycle? Falls City is exploring the possibility of partnering with a recycling organization to set up a mattress collection event (similar to the Falls City Clean-up). If there's enough interest from residents, the city will work on organizing a Falls City collection.
