New City Manager

Please join me in welcoming AJ Foscoli as Falls City's new City Manager. AJ was appointed by the City Council during the November 9 regular council meeting after a very successful and competitive recruitment process. AJ was most recently employed by the City of Dallas as Director of Economic Development and previously worked as a Business Retention and Expansion Manager for SEDCOR. AJ is excited to work with the City Council and Falls City community toward their goals and vision for the future. AJ begins his position in Falls City with several major projects in the works including the Falls City Wastewater project and several street and pedestrian safety projects. AJ and his wife, Juli, currently live in Salem and are hoping to find a place of their own in Falls City. The City Council is excited to work with AJ and benefit from his many years working in economic and community development.
