

FALLS CITY NEWSLETTER

VOLUME 12, ISSUE 8
AUGUST 2021

In this Issue:

1. Clinic Building
2. FCHS/Valsetz
3. Street Sweeping
4. Water Conservation

Now in the “Clinic” building

Please join us in welcoming Annie Willems with PNW Doulas; artist, Jaque Jones; and massage therapist, Jami Kidd to the building. Be watching for more info about their services and events! It's exciting to see activity and life in this amazing community space.

FCHS/Valsetz

Are you an FCHS/Valsetz alum? If so, we want to recruit you to be part of an alumni group and scholarship committee. Our goal is to create regular communication with alumni and raise enough money to create a sustainable fund with Oregon Community Foundation specifically for future Falls City graduates. The first scholarship will be the Janet Propp Memorial Scholarship for students entering the healthcare field. As funds grow, we will be able to diversify the types of scholarships granted. For more information about getting involved or donating, please contact Falls City Thrives at FallsCityThrives@gmail.com or Lynn Bailey at 541-231-7355.

Street Sweeping

Street sweeping takes place on the last Wednesday of each month.

We ask that all cars parked on the following streets are moved off the street and into driveways:

- North Main Street
- Mitchell Street (up to 5th Street)
- Bridge Street
- Parry Road (paved portions)
- South Main Street

Water Conservation

Due to severe drought conditions, including lower than average precipitation and higher than average temperatures the City of Dallas and the City of Falls City are both entering into stage one drought. Please do your part to conserve water today! For more information: www.catalog.extension.oregonstate.edu/sites/catalog/files/project/pdf/em9125.pdf
