Thrives

Falls City Thrives is a 100% volunteer organization. Thrives' mission is to empower the community of Falls City to live with dignity by working to address issues of housing, downtown revitalization, volunteerism, and personal health faced by the Falls City community. Thrives is working with Rural Development Initiatives (RDI) to facilitate two community visioning events. The event dates have been changed to September 30th and October 28th, from 12:30-3:30. This is open to anyone in the community, and you can participate in one or both.

OSFM Defensible Space

To better prepare Oregonians for wildfire and give them resources to help create defensible space, the Oregon State Fire Marshal (OSFM) has launched a new defensible space educational tool. The Oregon Defensible Space Program offers Oregon-specific wildfire preparedness, best practices, resources for download, and an in-person defensible space property assessment request portal. Creating defensible space is something everyone can do to reduce the wildfire risk to their home or business from wildfire. This website provides a one-stop shop for Oregonians with information and other resources they need to protect their homes and neighborhoods. Visit <https://oregondefensiblespace.org> for more information.
