a. Oral History Project

Chair Houghtaling informed the Commission that the project time period is from June 3, 2024 until June 30, 2025 and that the Commission should meet at least every other month or as needed and scheduled. The Commission will also need to provide some 'public education' about the project and present a public event, when the project is finished, to show the videos and photos. **The 'oral histories' collected need to involve Historic Landmarks of Falls City; i.e. The Falls, Staircase, City Hall, Pink Pokey (jail), First Methodist Church, High School, etc.**

Josh Wagner is to be the Project Coordinator/Videographer/Interviewer/Editor. Diane Beals will photograph interviewees and Historic Landmarks discussed. **1.** Commission members will need to contact and set up appointments with people to interview. **2.** Josh Wagner will conduct the first interviews without video taping and will decide which people will be interviewed for video recording. **3.** All interviews can/will be attended by a Commission or Community member and Josh will endeavor to recruit High School students to assist in interviews and photography. **4.** Commission will need to provide Release Form (waiver) for interviewees for us to use their words and images in the project. Josh will also ask if participants have any old photos (memorabilia) that can be incorporated in the project. **5.** Josh Wagner suggests that the final product be stored on thumb drives to be stored with various entities; local museums, City of Falls City, High School, etc. and posted to YouTube.
