APRIL 2021

In this Issue:

1. Foyer Open
2. Luckiamute Clinic Rental
3. Dental Van
4. Easter Egg Hunt
5. Mobile Vaccination Clinic

City Hall Foyer Open

A few weeks ago, Polk County's risk level was lowered from extreme risk to high risk. On March 26, 2021 it was lowered again to moderate risk. Due to these changes, the City of Falls City is happy to announce the foyer at City Hall is now open to the public. We still have some restrictions in place so please be respectful of others during this time.

We can only have 1 customer (or group if from the same household) in the foyer at a time. Because of this, we highly encourage customers paying with check or credit card to please continue using the outside drop box and the payment portal on our website for regular bill pay. If you are making a cash payment or have questions that cannot be answered over the phone or via email, please visit the foyer during regular business hours of Monday – Thursday 10 AM to 5 PM.

We are closed to the public on Fridays and will not be available to assist customers in person.

We will continue to update our residents as restrictions change.

Luckiamute Clinic/Carriage House

The City and Falls City Thrives have received several submissions for use of space in the old Luckiamute Clinic and carriage house and are in conversation with the applicants.

If you or someone you know is interested in renting space in the main clinic at a reduced rate to develop your business or offer a service, please email fallscitythrives@gmail.com for instructions about how to submit your idea.

The tentative grand opening for the space will be June 1.

Dental Van

The free dental van will be at the Falls City Community Center on Wednesday April 28, 2021. Residents interested can email fallscitydentalsignup@gmail.com to request an appointment.
